

RUBENSTEIN'S TESTIMONIAL - November 12, 2014

Brian,

I wanted to write you to inform you of our experience with your team on the restoration of the Ridpath here in Spokane, Washington. First off, in my 15 years of experience in the floorcovering industry I've never written the owner of any company. Lamar Broomfield and Jennifer Chapman have been outstanding to work with and I'm honored to have worked under their supervision.

Lamar did a great job orchestrating weekly operation meetings and managing the abundance of contractors. He kept us all informed of our expectations, as well as the expectations of others. Those meetings minimized delays and downtime for all trades. Jennifer is very thorough and is easy to communicate with. She did a great job informing us of deadlines and ensuring all paperwork was turned in timely and accurately keeping us compliant with your policies.

When problems arose and mistakes were made, they were quick to point them out and get them resolved quickly, efficiently and professionally. Everyone here in Spokane representing DALLASWHITE is truly an asset to your company!

As your team exceeded our expectations, I hope our work exceeded yours. If you're happy with our scope, I would be honored to work for your team again in the future. If you have any further questions or would like further examples of your teams' exemplary operations, feel free to call me to discuss. Thank you for your time and the opportunity to work for DALLASWHITE.

Respectfully,

Eric Von Behren
Project Manager
